Form and function in  
perfect harmony. **The Wish.**

---

#### CLASS-LEADING POWER AND EFFICIENCY

---

- 141bhp from Dual VVT-i Valvematic engine
- 14.7km/l with seamless and responsive CVT transmission

#### VERSATILE SPACE

---

- Seven-seat layout
- Flexible seat configuration for greater luggage capacity

#### CONVENIENCE THAT MATTERS

---

- Keyless entry and ignition system
- Multi-function steering controls
- Integrated infotainment system with reverse camera and GPS

#### BEST-IN-CLASS SAFETY

---

- Front, side and curtain SRS airbags
- Anti-lock Braking System
- Electronic Brake-Force Distribution
- Brake Assist
- Traction Control
- Vehicle Stability Control

# Stylish Exterior

Complement your modern urban lifestyle with a contemporary design

## HID HEADLAMPS WITH AUTO-LEVELLING OUTSTANDING BRILLIANCE

See things in a new light with HID headlamps that provide enhanced visibility. An auto-levelling function ensures other road users won't get caught in its glare.

## RADIATOR GRILLE POLISHED LOOK

Exude an air of refined elegance with its gleaming chrome-accented grille.

## SIDE SIGNAL INDICATORS GREATER PROMINENCE

Integrated seamlessly within the wing mirrors, the position of the side turn indicators are now more visible to other road users and thus enhances safety.

## REAR DESIGN HEIGHTENED PRESENCE

The redesigned rear with dark chrome LED tail lamps integrated with the back door garnish provides a sense of enhanced width.

## 15" ALLOY RIMS A NEW SPIN

These factory-fitted 15" rims have been redesigned to match the updated look of the Wish.

## AERODYNAMIC FINNS REDUCED DRAG

Besides giving the Wish a sleeker look, these contoured fins located at the front fixed window frames and rear combination lamps improve air flow for better stability and steering precision.

# Sophisticated Interior

Sit back, stretch out and relax in a spacious cabin furnished with thoughtful touches

## SMART ENTRY & START HASSLE-FREE EXPERIENCE

With this keyless entry and button ignition system, getting in and setting off on your journey will always be convenient and effortless.

## STEERING SWITCH CONTROLS ACCESS AT YOUR FINGERTIPS

Adjust the volume or change music tracks on your audio system while keeping your eyes on the road and your hands on the wheel with these well-placed switches.

## INTEGRATED INFOTAINMENT SYSTEM ALL-IN-ONE FUNCTIONALITY

This system incorporates a touchscreen audio player, reverse camera, GPS and rear seat entertainment (for Elegance variant) in one compact, multi-functional set, so there's never a dull moment in a Wish.

## LEATHER SEATS A COMFORTING TOUCH

Leather seats available in the Elegance variant provide the utmost comfort even during the longest journeys.

## VERSATILE SEAT CONFIGURATION AMAZING ADAPTABILITY

Configuring its generous space to suit your needs is a breeze, while rear seats that can be folded flat provide more room for both people and loads such as luggage or furniture.

## ABUNDANT STORAGE SPACE CONVENIENCE FOR THE WHOLE FAMILY

With a two-level tray below the centre instrument cluster, a centre console box and much more, you'll be surprised by how much storage space the Wish has for you and your passengers.

# Impressive Performance

Geared towards a responsive, smooth and powerful ride

## DUAL VVT-i VALVEMATIC ENGINE BEST-IN-CLASS POWER & EFFICIENCY

141bhp is matched by a class-leading fuel efficiency of 14.7km/l (6.8l/100km), so you get to enjoy both a heightened response and greater fuel savings.

## 7-SPEED CVT TRANSMISSION SMOOTH, SPORTY RIDE

The Wish is equipped with the advanced 7-speed sport sequential shiftmatic CVT for seamless gear shifts. Now every journey is not only smooth but fuel-efficient too.

## LOW CARBON EMISSIONS ENVIRONMENTALLY FRIENDLY

Do your part for the environment without sacrificing your driving pleasure with the Wish's low carbon emissions of just 159 g/km.

## Colour Variations

White Pearl (070)

Silver Metallic (1F7)

Gray Metallic (1G3)

Black (202)

Blackish Red (3R0)

Orange Metallic (4R8)

Beige Metallic (4T8)

Satin Blue Mica Metallic (8V9)

Details and specifications may differ from pictures shown depending on models.

# Comprehensive Protection

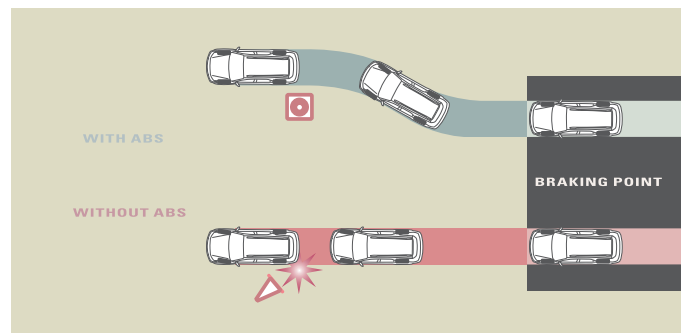

Peace of mind is assured with our class-leading range of safety features

## 6 SRS AIRBAGS

### 360° PROTECTION

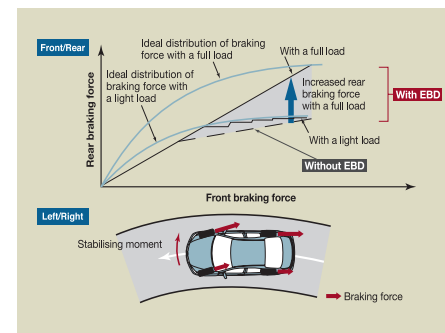

Dual front, side and curtain airbags optimise safety and provide total peace of mind for you and your family wherever you go.

## ANTI-LOCK BRAKING SYSTEM (ABS) & BRAKE ASSIST (BA)

### SUPERB HANDLING

Advanced ABS improves vehicle control and avoids skidding by preventing wheels from locking when braking hard or engaging slippery surfaces. BA applies additional brake pressure to shorten the stopping distance while retaining overall vehicular balance.

## ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)

### REINFORCED ROAD-HOLDING ABILITY

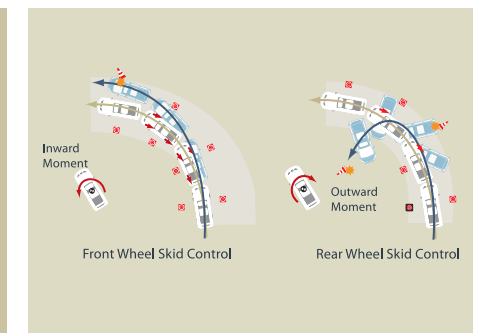

This supplements ABS by electronically monitoring and distributing braking force to all four wheels based on driving and load conditions to maximise stability and handling.

## TRACTION CONTROL (TRC)

### IMPROVED CONTROL

TRC prevents loss of traction on wheels, thus maintaining control of the vehicle when excessive torque is being applied or under slippery road conditions.

## VEHICLE STABILITY CONTROL (VSC)

### MAINTAINS STABILITY

VSC ensures vehicle stability as it automatically controls engine output and brakes on each wheel when the vehicle experiences over-steering or under-steering.

# Specifications

## DIMENSIONS & WEIGHTS

Overall Length		mm	4,590
Overall Width		mm	1,695
Overall Height		mm	1,590
Wheelbase		mm	2,750

# Toyota is the world's top R&D spender, investing almost US\$9 billion a year. That's more than US\$1 million an hour.

At Toyota, we believe there is Always a Better Way. Our R&D is a testament to our "Kaizen" spirit – the Japanese philosophy of continuous improvement.

This is the impetus to all of Toyota's developments, like the ones you'll find in the Wish. Including the smart entry and start system, plus our 7-speed CVT transmission, which not only provides seamless momentum, but features a maintenance-free belt. And of course, our world-renowned Dual VVT-i engine that is designed to maximise power output while minimising consumption and emissions.

All of these and more have led us to become a global benchmark for Quality, Durability and Reliability. Coupled with constant innovation and creativity, we anticipate your mobility needs so you can always look forward to better cars.

## TOYOTA. ALWAYS BETTER.

7 Speed CVT Transmission

Dual VVT-i Valvematic engine

Smart entry and start

When you buy a Toyota from Borneo Motors, you get more than just a car. You get the satisfaction, assurance, support and convenience that are best captured in our brand promise: **Always Better.**

### Always Better Cars

It is this same promise that drives us to understand your lifestyle. That's why we offer a range of models that caters to your needs today with innovations that fulfil the requirements of tomorrow. For example, Dual VVT-i engines that deliver a superior blend of performance and fuel economy, and Hybrid Synergy Drive, which minimises carbon emissions for cleaner air and a better quality of life. All these and more are part of the Toyota ownership experience that has grown to become the industry's benchmark.

### Always Better Assurance

From the moment you collect your car, you will feel the world-renowned Toyota difference of Quality, Durability and Reliability, or QDR, as we call it.

This difference is further bolstered by an impressive five-year unlimited-mileage warranty, plus one year's servicing\*. During which, and beyond, you can rest assured that your car will be cared for by our certified specialists, who use the latest in technology, precision tools and Toyota genuine parts.

These are just some of the things we have in place to ensure your car keeps performing the way it should – like a Toyota.

### Always Better Experiences

No matter which facility you choose, you will receive that special Toyota touch, which gives you an ownership experience unlike any other.

It all starts at Toyota World, our experiential showroom that is designed to serve you better. One of the ownership privileges you'll appreciate is our online booking service, which allows you to make an appointment at any of our ten service facilities and body care centres islandwide. You will even receive an SMS reminder as your appointment date draws near, so you can better manage your time.

Toyota Service Express also guarantees to have your car serviced, manually cleaned, vacuumed and ready in just one hour\*\*, or you pay only half. And should the need arise, you can count on our Toyota Body Express to get your repair works done efficiently in four systematic stages: Disassembly, Bodyworks & Paint Preparation, Paint Application and Assembly & Inspection.

Either way, we will make sure your car comes out as good as new.

### Always Better Value

To reward your ownership experience with exceptional value, Toyota ME™, our loyalty programme, earns you points for all your purchases made at Toyota World. With these points you can redeem any of your preferred merchandise under the programme, or use them to offset the bill from your next service appointment.

While Toyota Shine Plus takes care of your car's grooming needs with special waxing and detailing packages. The first programme of its kind in the market, it helps you keep your car looking showroom-fresh. Complimentary with every new car purchase, it also offers insurance waivers and discounts on all body repair services.

These are just some of many things we have put in place to give you better mobility, quality and the best car ownership experience. But more than that, it is our way of helping you lead a better lifestyle.

## Toyota. Always Better.
